NCAR Undergraduate Leadership Workshop
 Monday, June 14 – Friday, June 18, 2010
 National Center for Atmospheric Research (NCAR), Boulder, Colorado

Letter of Student Nomination

Dear Department Chair or Faculty Member:

We are pleased that one of your students would like to attend NCAR’s Summer 2010 Undergraduate Leadership Workshop. Our goal is to interest undergraduate students of junior standing in focusing their studies in the sciences and to motivate them to pursue a graduate degree in the atmospheric and related research fields. Additional information about the program and application forms can be found at http://www.ucar.edu/educ_outreach/ulw/. Please attach to this completed form a letter of nomination in which you share your views on the applicant’s academic performance, aptitude for research, potential to gain from the experience, and ability to serve as a leader in your undergraduate program.

Your assistance in providing this important letter of reference is greatly appreciated.

Faculty Member’s Name: _____ Nominee: _____

Institution _____ Department: _____

Address: _____

City: _____ State: _____ Zip: _____

Telephone: _____ Fax: _____ Email: _____

- If the student is accepted into the workshop, my institution will support the cost of travel to and from Boulder, Colorado
- I will support the student in scheduling a presentation about the workshop for other students in the Fall Semester of 2010
- My letter of nomination is attached
