

February 2008

VITA - WARREN M. WASHINGTON

DATE & PLACE OF BIRTH: 28 August 1936, Portland, Oregon

EDUCATION: B.S. 1958 Oregon State University (Physics)
M.S. 1960 Oregon State University (Meteorology)
Ph.D. 1964 Pennsylvania State University (Meteorology)

RESEARCH POSITIONS:

May 1995-present Senior Scientist; Section Head, Climate Change Research Section, Climate & Global Dynamics Division, National Center for Atmospheric Research, Boulder, Colorado

June 1987-May 1995 Director, Climate & Global Dynamics Division; Senior Scientist; Leader, Climate Sensitivity and CO₂ Research Group, National Center for Atmospheric Research, Boulder, Colorado.

October 1974-June 1987 Senior Scientist; Head, Climate Section; Leader, Global Climate Modeling Group; Member, Community Climate Model Steering Committee, National Center for Atmospheric Research, Boulder, Colorado.

July 1973-October 1974 Project Leader, Large-Scale Modeling and Analysis Group, National Center for Atmospheric Research, Boulder, Colorado.

June 1972-July 1973 Program Scientist, Dynamical Aspects of Atmospheric Circulation, National Center for Atmospheric Research, Boulder, Colorado.

1963-present Research Scientist, National Center for Atmospheric Research, Boulder, Colorado. Numerical weather prediction and computer simulation of the general circulation of the atmosphere and oceans.

1968-1971 Adjunct Associate Professor of Meteorology and Oceanography, College of Engineering, University of Michigan, Ann Arbor, Michigan.

1960-1963 Research Associate, Pennsylvania State University, University Park, Pennsylvania. Objective analysis and numerical weather prediction.

1959 Mathematician, Stanford Research Institute, Menlo Park, California. Objective analysis of meteorological fields.

PROFESSIONAL SOCIETIES:

American Meteorological Society:

Member, Ad Hoc Committee on Increasing Number of Black Scientists in AMS
Member, Board on Women and Minorities (1976)
Chairman, Committee on Nominations (1982)
Member, Committee on the History of the Atmospheric Sciences (1985-1987
and 1988-1989)
Member, Council (1986-1988)
Member, Board on Women and Minorities (1988-1990)
Member, Awards Committee (1991-1994)
Chair, Ad Hoc Committee on development of a career booklet entitled "The
Challenge of Meteorology" (1991-1992)
President-Elect (1993)
President (1994)
Past President (1995, 1996)
History of the Atmospheric Sciences Committee (1999-2005)
AMS Award Committee (2000)

American Association for the Advancement of Science:

Chairman, Youth Council (1971)
Committee on Meetings (1970-1971)
Member, Committee on Minorities in Science (1971-1972)
Member, Committee on Opportunities in Science (1973-1978)
Chairperson, Committee on Opportunities in Science (1975-1978)
Chairperson, Panel on Black Scientists (1973-1978)
Member, Committee on Nominations (1980-1982)
Member, Electorate Nominating Committee (1981-1984)
Chairperson, Electorate Nominating Committee, Section W (Atmospheric and
Hydrospheric Sciences) (1984-1985)
Member, Committee on Climate (1985-1988)
Chair-Elect, Section on Atmospheric and Hydrospheric Sciences (1990-1991)
Board of Directors (1991-1995)
Board Representative to the Committee on Science, Engineering and
Public Policy (1991)
Board Representative to the Committee on Opportunities in Science (1992-1995)
Member of the National Taskforce for the NSF-Funded Museum Equity Project
(Project MOSAIC) (1992-1994)
Member, the National Committee, American Association for the Advancement of
Science Center for Science and Engineering (1994-2006)

American Geophysical Union

National Academy of Engineering (2002)

American Philosophical Society (2003)

AWARDS AND HONORS:

Presidential Appointment to the National Advisory Committee on Oceans and Atmosphere (1978-1984)

Fellow, American Meteorological Society (1980)

Fellow, American Association for the Advancement of Science (1981)

Fellow, The Alumni Fellow Program, The Pennsylvania State University (1989)

One of 16 scientists featured in the Chicago Museum of Science and Industry's "Black Achievers in Science" Exhibit. The exhibit is touring major science centers and museums in the United States from 1988-1995

Fellow, The Alumni Fellow Program, Oregon State University (1990)

Distinguished Alumni Award, Pennsylvania State University (1991)

Fellow, African Scientific Institute (1993)

Presidential Appointment to National Science Board (1995-2000)

Le Verrier Medal of the Societe Meteorologique de France (1995)

E. B. Lemon Distinguished Alumni Award, Oregon State University (1996)

Inducted into the National Academy of Sciences Portrait Collection Of African Americans in Science, Engineering, and Medicine (1997)

Department of Energy Biological and Environmental Research Program
Exceptional Service Award for Atmospheric Sciences (1997)

Sigma Xi Distinguished Lecturer (1998-1999)

University Corporation for Atmospheric Research Walter Orr Roberts Distinguished Lecturer (1998)

Dr. Charles Anderson Award, American Meteorological Society, (1999)

National Weather Service Modernization Award (1999)

Celebrating 20th Century Pioneers in Atmospheric Sciences Award (2000)

1999 Bonfils-Stanton Foundation Science Award (2000)

Franklin Institute Black History Month Exhibit on African Americans in Science (2002)

Elected to the National Academy of Engineering (2002)

Elected to American Philosophical Society, (2003)

Recipient of Reed College Vollum Award for Distinguished Accomplishment in Science and Technology (2004)

Elected Honorary Member of the American Meteorological Society – Highest award given by the AMS (2006)

Commencement Speaker and recipient of Honorary Doctorate of Science, Oregon State University, (2006)

Science Spectrum Trailblazer, Science Spectrum Magazine (2006)

Robert D. Cess Distinguished Topics in Atmospheric and Oceanic Sciences Seminar Speaker, State University of New York at Stony Brook, (2006)

Charles Franklin Brooks Award for Outstanding Services to the Society, American Meteorological Society – (January 2007)

Experience Works, Primetime Award for Outstanding Older Worker for Colorado (2007)

U. S. Department of Energy Lifetime Achievement Award from Raymond L. Orbach (2007)

Warren Washington Symposium on Climate Modeling, Prediction and Science Policy (2007)

COMMITTEES AND PANELS:

Member, Advisory Panel for Atmospheric Sciences of the National Science Foundation (1972-1974)

Member, Panel on Climatic Variation of National Academy of Sciences/National Research Council (1972-1975)

Member, Panel on the Monsoon Experiment of National Academy of Sciences--U.S. GARP Committee (1974)

Member, Panel on Energy and Climate of Geophysics Research Board of National Academy of Sciences/National Research Council (1974-1976)

Member, Panel on National Science Foundation Energy-Related Postdoctoral Fellowship Program (1975-1977)

Member, Governor's Science and Technology Advisory Council, State of Colorado (1975-1978)

Member, President's National Advisory Committee on Oceans and Atmosphere (1978-1984): Panels dealing with ocean waste management, hydrology, satellites, government reorganization, atmospheric research facilities, ocean weather services, and weather modification. Chairman of the Weather Services Panel that issued the 1982 report on "The Future of the Nation's Weather Services."

Member, U.S. National Committee for the International Union of Geodesy and Geophysics (1978-1982)

Chairman, Subcommittee for International Association of Meteorology and Atmospheric Physics (IAMAP) (1979-1982)

Member, Evaluation Panels, Research Associateship Program, National Research Council (1983, 1987)

External Examiner, Department of Meteorology, University of Nairobi, Kenya (1983)

Affiliate Faculty Member, Department of Atmospheric Science, Colorado State University, Fort Collins (1983-1985)

Member, Polar Oceans Climate Studies Panel, Board on Ocean Science and Policy, National Research Council (1984-1987)

Member, Advisory Panel for the Summer Radiation and Climate Modeling Course, National Oceanic and Atmospheric Administration (1986)

Member, Board on Atmospheric Sciences and Climate, National Research Council; Chairman, NOAA Review Panel (1985-1988)

Chairman, Advisory Panel for Planet Earth film, *Climate Puzzle*, National Research Council (1986)

Chairperson, Earth Sciences Research Associateship Program, National Research Council (1986)

Member, Editorial Board, *Climate Dynamics* (1986-1989)

Member, San Diego Supercomputer Center Computer Allocation Committee (1986)

Member, Advisory Committee to David Skaggs (Member of the U.S. House of Representatives Committee on Science, Space and Technology) (1987-1989)

Member, National Oceanic and Atmospheric Administration Panel on Climate and Global Change (1987-1991)

Cooperating Investigator, SPECMAP (1988-1992)

Member, University Corporation for Atmospheric Research President Search Committee (1988)

Member, University Corporation for Atmospheric Research Visiting Scientist Programs Steering Committee (1988-1992) and Chair (1989-1992)

Member, National Aeronautics and Space Administration's Greenhouse Detection Project Science Working Group (1989-1991)

Member, International Working Group on Global Change, National Science Foundation Representative (1989-1990)

Member, Investigator Working Group of the National Aeronautics and Space Administration's Earth Observing System (1990)

Member, Secretary of Energy Advisory Board (1990-1993)

President, Black Environmental Science Trust (1990-1995)

Member, Earth Observing System (EOS) External Engineering Review, appointed by the National Aeronautics and Space Administration and the White House National Space Council (1991)

Member, National Advisory Committee for First National Minority Environmental Leadership Summit, sponsored by the United Church of Christ Commission for Racial Justice (1991)

Member, National Council of the Environmental Defense Fund (1992-present)

Member, External Advisory Panel of the National Science Foundation's Science and Technology Center for the Study of Clouds, Chemistry and Climate (1992-1994)

Member, Commission on Geosciences, Environment, and Resources, National Research Council (1992-1994)

Member, Advisory Committee of the Minority Media Information Center at the Scientists' Institute for Public Information (1993-1994)

Member, Modernization Transition Committee of the National Weather Service, U.S. Department of Commerce (1993-1998)

Member, the National Committee, American Association for the Advancement of Science Center for Science and Engineering (1994-present)

Member, Board on Sustainable Development, National Research Council (1995-1998)

Member, National Centers for Environmental Prediction (NCEP) Advisory Panel, (1995-1997)

Member, The UCAR Education Committee, (1995-1996)

Member, NASA Earth Systems Science and Applications Advisory Committee (ESSAAC), (1998-2001)

Member, Board of Trustees of the Bermuda Biological Station for Research, (1998-2002)

Member, NOAA Science Advisory Board, (1998-2002)

American Meteorological Society, History of the Atmospheric Sciences Committee, (2002-2005)

Member of Corporation for Woods Hole Oceanographic Institution, (1999-2002)

Member, Secretary of Energy Biological and Environmental Research Advisory Committee (1990-present)

Co-Chair of NCAR Community Climate System Model (CCSM) Climate Change and Assessment Working Group, (1999-present)

Member of National Energy Research Scientific Computing Center (NERSC) Policy Board of the Lawrence Berkeley National Laboratory, (1999-2000)

AMS Awards Committee, (2000-2002)

Member of DOE Advanced Scientific Computing Advisory Committee, (2000-2002)

National Science Foundation Vannevar Bush Award Committee, (2001)

Member of U.S. Commission on Ocean Policy Science Advisory Panel, (2002-present)

Elected to the National Academy of Engineering (2002)

Elected to the American Philosophical Society (2003)

Member National Academies of Science Coordinating Committee on Global Change, (2003-2005)

NOAA Research Review Panel (2003-present)

Member of Survey Steering Committee for Earth Sciences and Applications from Space: A Community Assessment and Strategy for the Future. National Research Council, (2004-2006)

Member of Advisory Committee of the International Risk Governance Council (2004-present)

Member of Advisory Committee of the AAAS Center for Advancing Science & Engineering Capacity, (2005-2006)

Chair of AMS Development Committee (2005-present)

Member, American Philosophical Society Class 1 Committee on Memberships (2005-2008)

Member, National Center for Computational Sciences Advisory Committee, Oak Ridge National Laboratory's (ORNL) National Center for Computational Sciences (2006-2009)

Chair, American Philosophical Society 2006 Annual Fund Committee (2006)

Member, National Science Board (1995-2006)

Member, National Science Board Programs and Plans Committees: CPP Task Force on the Environment; CPP Task Force on Polar Issues; and Chair of the Merit Review Criteria Task Force, 1996-2002

Elected to Executive Committee of National Science Board, 1998-2000

Member of National Science Board Committee on Strategy and Budget, 2001-2002

Vice-Chair of National Science Board Committee on Programs and Plans, 2001-2002

Elected Chair of National Science Board, May 2002-May 2004

Re-elected Chair of National Science Board, May 2004-May 2006

Member, National Academies of Science Space Studies Board (2006-2008)

NAS Policy and Global Affairs Division (PGA) Committee (2006-2008)

National Academies of Science PGA Committee on Women in Science, Engineering and Medicine (CWSEM) (2007-2009)

13th Annual Heinz Award Juror (2007)

Howard University NOAA Center for Atmospheric Sciences (NCAS) Advisory Committee (2006-2008)

National Science Board Public Service Awards (2008)

Member, Board of Directors, National Council for Science and the Environment (2007-present)

Member, Board of Trustees, The H. John Heinz III Center For Science, Economics And The Environment (2007-present)
