Head, Department of Marine, Earth and Atmospheric Sciences North Carolina State University

The Department of Marine, Earth and Atmospheric Sciences (MEAS) at NC State University (http://www.meas.ncsu.edu/) invites applications for an innovative leader committed to helping shape and further the strategic goals of an active and renowned program known for high-quality research and education.

Qualifications: The position requires a Ph.D. in either marine, earth, or atmospheric science, or in a related scientific discipline, and academic credentials consistent with that of a full professor at a major research university.

Job Duties: The Head reports to the Dean of the College of Physical and Mathematical Sciences and is responsible for administrative, budgetary and personnel matters. The Head is expected to set the highest standards for the Department with regard to scholarship and professional activities and to have a balanced appreciation for teaching, research, and multidisciplinary collaboration.

To Apply: Visit http://jobs.ncsu.edu and reference position # 00102082 and click “Apply for this vacancy.” Review of applications will begin March 1, 2011; the position will remain open until filled. Applications must include a letter of interest, curriculum vita and names of three references.

About NC State: AA/EOE. In addition NC State welcomes all persons without regard to sexual orientation and commits to diversity and equity.
